Bonnaire MX-3101d Replaceable Cable

- Designed for MX-310pro / MX-310plus /MX-320pro / MX-330/ MX-620

- 2 colour choices: black or white

- MX-3101d replaceable cable has no volume control nor microphone

Flexion Shaping Cable

Equipped with flexion shaping earphone cable, you would bend it to the best fit position of yours. For optimal comfort and music enjoyment, you are advised to wear it over the ears.

Leisure Style Wearing

You would also choose to wear it as the leisure type by bending the cable straight.
