Bonnaire MX-C4 MMCX-Style Replaceable Cable

- Designed for Bonnaire MX-720 Hybrid Driver Earphones

- Compatible with Shure MMCX Connector

Flexion Shaping Cable

Equipped with flexion shaping earphone cable, you would bend it to the best fit position of yours. For optimal comfort and music enjoyment, you are advised to wear it over the ears.

Leisure Style Wearing

You would also choose to wear it as the leisure type by bending the cable straight.
